ARIES

BY berelli.

A wall sconce composed of a single textured cast-glass disc with deep radial fluting and a central oculus, set against the wall on a discreet round mount. The dimensional glass form refracts light in fine concentric patterns, producing a quiet decorative gesture. Specified for residential entries, powder rooms, hotel guestrooms and corridor walls where a single sculptural disc reads as a deliberate architectural detail.

ORDER GUIDE:

ARIES-PF03-3000K-010V

Model:	ARIES					
Finishes:	Explore available finish options through the Berelli Studio - berelli.com/studio
