AXIOM 10

BY berelli.

A compact LED wall sconce composed of an offset rectangular backplate paired with a slim cylindrical downlight. Its low-output, focused beam delivers a quiet accent suited to corridor walls, headboard heights, powder rooms and entry vestibules where a discreet architectural moment is required without visual weight.

ORDER GUIDE:

AXIOM10-PF03-3000K-010V-IP20
