# BELIS 60

BY berelli.

A tall vertical wall sconce of four textured cast-glass discs aligned on a slim dark rail, producing an elongated stacked composition. The full-height column of fluted glass scales appropriately for taller architectural surfaces. Specified for double-height entries, grand stair walls, hotel corridors and gallery interiors where vertical proportion drives the composition.

## ORDER GUIDE:

BELIS60-PF03-3000K-010V-IP20
