DORELLE 46

BY berelli.

A long-form vertical LED wall sconce with a slim, continuous luminous cylinder centered on a stepped backplate. Delivering the highest output of the vertical family at architectural scale, it suits tall walls in hotel lobbies, atriums, grand residential entries, ballrooms and gallery spaces where a singular vertical light line must hold the wall.

ORDER GUIDE:

DORELLE46-PF03-3000K-010V-IP20
