JALIS 40

BY berelli.

A horizontal linear LED pendant of five textured cast-glass discs aligned face-on along a slim central support, suspended from a rectangular canopy. The continuous row of fluted glass produces a graphic horizontal composition. Specified for kitchen islands, conference tables, hospitality bars and reception desks where the disc detail reads from the side as the primary architectural moment.

ORDER GUIDE:

JALIS40-PF03-3000K-010V

Model:	JALIS 40
