# KORE 40

BY berelli.

A vertical linear LED wall sconce composed of a continuous luminous edge on a centered round plate, producing soft, symmetrical light along the surrounding wall. Suited to corridors, residential bedrooms, powder rooms and hospitality interiors where a discreet vertical accent is required.

## ORDER GUIDE:

KORE40-PF03-3000K-010V-IP20

|                      |                                                                                                                           |       |       |       |       |       |  |
