KRONEN

BY berelli.

PART OF THE

VOSSIN

ARCHITECTURAL COLLECTION

KRONEN

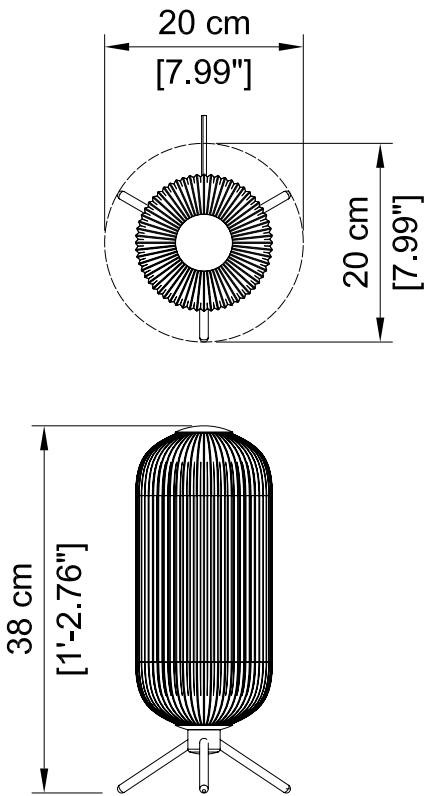

BY berelli.

A table lamp built around a ribbed opal glass capsule shade set on a slim dark three-leg tripod base. The fixture reads as a small sculptural object on the surface it occupies, producing diffused ambient light at table height. Specified for residential side tables, hotel guestroom nightstands, executive desks, lounge consoles and hospitality interiors where a freestanding decorative lamp is required.
