MARVELLE 38

BY berelli.

A large-scale LED chandelier of slim luminous bars suspended at varying lengths and angles from a square canopy, producing a layered abstract composition at architectural scale. Built for high-volume rooms, it delivers ambient illumination across hotel lobbies, ballrooms, atriums and grand residential interiors where the fixture must hold the center of a substantial volume.

ORDER GUIDE:

MARVELLE38-PF03-3000K-010V

Model:	MARVELLE 38
